Do you want to make your Hair Brush neat & clean:

Meet the ingenious little tool that makes your hair brush neat and clean, your hair perform at its best.

- **Specially designed mini-rake**, gently clears bristles of hair, dust and product buildup. So your hairbrush will last longer and remain as fresh and effective as the first time you used it.
- **Made with stainless steel** prongs and an oak handle with many colors. Source from non-endangered forests.
- **Works on all hairbrush types**, paving the way for cleaner, healthier, shinier hair in just a few strokes.
- *Product is totally handmade. Any change in handle color is possible.*
